

Toyotomicho Cycling Road

[Click here for map](#)

It is the starting point of the 5.5km long cycling course.

The end of the cycling course is the entrance to a large grassland farm.

9 to pass through a large grassland ranch

There is km.

There was a Nisso coal mine here between 1937 and 1972

The Nisso coal mine dedicated railway was running to carry the mined coal

This cycling course was built on the site where the Nisso Coal Mining Railway was running.

The "Sarobetsu 100 Mile Road" is held every July.
